

Google Voice

Getting Set-Up: Make sure you are logged into google then...

The image shows a browser window at <http://www.google.com/voice> with several steps of the setup process highlighted by callout boxes:

- Getting started:** A box with instructions: "Please note that Google Voice is only available in the U.S." and "You will be required to verify an existing U.S. phone number to get a Google Voice number." A "Proceed" button is visible.
- Set up your Google Voice number:** A box with a "Help" link and text: "You can choose a brand new number from Google or use your existing mobile number to get the full set of Google Voice features, like: one number that rings all your phones, online voicemail with transcriptions, sent to you by email or text, custom greetings and call blocking, and much more." Two buttons are shown: "I want a new number" and "I want to use my mobile number".
 - Callout: "Creates a new number that parents and students will see when you call them." points to "I want a new number".
 - Callout: "Uses your existing number" points to "I want to use my mobile number".
- Add a forwarding phone:** A box with a "Help" link and text: "Before choosing a Google Voice number, please add a forwarding phone that will ring when that number is called. You can add more forwarding phones later." It includes a "Phone Number" input field, a "Phone Type" dropdown menu (set to "Home"), and "Back" and "Continue" buttons.
 - Callout: "Download the app the access from your phone" points to a speech bubble icon with a phone handset.
 - Callout: "You will need to provide your phone number to sign up. Don't worry, it won't be given out." points to the "Phone Number" input field.
- Verify your phone:** A box with text: "We're going to call you at (808) 469-5269 to verify your phone. Click Call me now below and enter the following verification code:" A box contains the number "54" and "Call me now" and "Back" buttons.
 - Callout: "After entering your phone number, google will call you to verify that it is a real number." points to the "Call me now" button.
- Choose your number:** A box with a "Help" link and text: "When anyone calls this number, it will ring all of your phones." It has input fields for "Area, zip code or city" and "Word, phrase, number", and a "Search numbers" button.
 - Callout: "Search for a zip code with available number. A list will pop up to choose from." points to the "Search numbers" button.
- Congratulations!** A box with a "Help" link and text: "You've successfully set up Google Voice! As a reminder, your Google number is: (213) 260-0573. You can now: give out one number that will ring all your phones, get transcribed voicemails sent to your inbox, send free text messages & make cheap international calls. To learn more about what Google Voice can do, watch our videos." A "Finish" button is at the bottom.
 - Callout: "Done!" points to the "Finish" button.
- Google+ Hangouts:** A box showing the Google+ Hangouts logo and icons for video chat, text chat, and voice chat.
 - Callout: "Download google hangouts to access from your tablet" points to the logo.
