Posting Information

Posting Description: Internal Teaching Vacancies (TATP2)

Begin Date: 04/12/2016 End Date: 04/18/2016

Posting Event:

Posting Dates: April 12 - April 18, 2016

ALL TRANSFERS FOR POSTING ANNOUNCEMENT NO. 2 MUST BE CONSUMMATED BY MAY 2, 2016.

GENERAL INFORMATION: THE Teacher Transfer Program for school year 2016-2017 is from February 24 - May 6, 2016. Probationary 1, 2, 3, 4 and 5 extended probationary teachers shall remain in place and their positions will not appear on the posted vacancy announcement. Satisfactory probationary teachers in their last semester of probation may apply only for vacancies listed on posting announcement No. 1. Vacancies are posted only once.

ONLY ONE TRANSFER IS ALLOWED PER TEACHER - Teachers who are interested in seeking transfers to posted vacancy listing must submit a completed Form DOE OHR 200-010 - Teacher Request for Transfer to the principal of the school that listed that vacancy within the posting deadline. Additional information (letters of references, resume, etc.) may be attached to your Form DOE OHR 200-010 to provide the principal with more background regarding teaching qualifications and experiences.

ANTICIPATED VACANCIES - Vacancies advertised in this posting are based on anticipated retirements and/or separation of service. Transfers consummated are conditional and may be voided should a cancellation of retirement or separation occur. Teachers who are unsuccessful in consummating their transfer will be granted return rights back to their former school.

HALF-TIME AND FULL-TIME STATUS OF TENURED TEACHERS - When applying to vacancies for which they qualify, tenured teachers will have equal consideration regardless of having less than full-time employment status.

VICING APPOINTMENT CODE 2 - A teacher who transfers into a vicing appointment (since the position is guaranteed to an incumbent who is on leave) relinquishes return rights back to the former school. Should staff reduction become necessary in a school, tenured teachers with Appointment Code 2 are reduced before tenured teachers with Appointment Code 1.

TEMPORARY STATE / DISTRICT OFFICE TEACHER POSITIONS CODE 6 - Some teachers who transfer into such positions may have a Code 6 appointment. Termination of such positions entitles the teachers to return to the former school or district except when the transfer crosses district boundaries. Teachers who cross districts belong to the new district and lose return entitlements to the former school/district.

ENGLISH LANGUAGE LEARNERS (ELL) - To qualify for these positions, a teacher must have completed a minimum of 12-semester credits of course work in ELL/Bilingual-Bicultural education as required by the Superintendent's compliance plan.

RETURN TO SPECIAL EDUCATION INCENTIVE - \$10,000 FOR DUAL LICENSED TEACHERS - Effective with school year 2001-2002, dual licensed Special Education teachers who return to a Special Education classroom position, anywhere in the State, for a period of three years will be eligible for this incentive. The return must be preceded by an absence of two years from a DOE Special education teacher position.

RECRUITMENT/RETENTION INCENTIVE FOR HARD-TO-STAFF LOCATIONS - \$3000 Per Year: All licensed teachers who transfer to school vacancies in the following hard-to-staff schools/complexes shall receive this incentive.

- Hana Complex
- Kea'au Complex
- Lana'i Complex
- Molokai Complex
- Na'alehu/Ka'u/Pahala School
- Nanakuli Complex
- Pahoia Complex
- Waianae Complex

TRANSFERS:

Teachers wanting to consummate a transfer into an advertised vacant position in TATP must possess:

- a current Hawaii Teacher Standards Board (HTSB) license in the subject and grade level when applying for non-highly qualified positions advertised in Teacher Assignment and Transfer Program (TATP).
- or
- a current HTSB license in the subject and grade level and meet the DOE's highly qualified (HQ) criteria when applying for HQ positions advertised in TATP.

Teachers interested in consummating a transfer to schools currently designated as Focus, Priority and Superintendent's Zone Schools, will be allowed to transfer if they either hold a current license in the subject and grade level of the vacancy being advertised or meet the DOE's criteria for highly qualified (HQ) status for that vacancy.

Honolulu District
